warranty	two years parts and labour

SPACIOUS DESIGN

When space is not restrictive this wide 86cm hob offers five burners ergonomically positioned for maximum benefit, with the possibility of several styles of cooking at the one time.

ULTRA-RAPID TRIPLE BURNER

Conveniently and ergonomically positioned front-left, this versatile burner, while being designed for perfect wok cooking, also suits larger stock pots, saucepans and griddles.

RECTANGULAR FISH BURNER

Not only is this perfect for poaching whole and fillet fish, it is ideal as an indoor barbecue with the use of a griddle plate over the flame.

SIMMER CONTROL

All burner, including the ultra-rapid triple burner, can be adjusted down to a very low, safe flame for the most gentle low heat simmers.

AUXILIARY BURNER

Perfectly positioned, this small, multi-purpose burner is accessorised with a pot rest to accommodate even the smallest of utensils, such as a coffee percolator or one-cup espresso maker.

ELECTRONIC IGNITION

The cooktop is connected with a power cord of 1.3 metre length to be plugged into a GPO located according to installation requirements below the benchline. This supplies a continuous stored charge to spark the gas supply to the individual burner of your choice.

LOW MAINTENANCE

The seamless hob design allows for easy wipe-over cleaning and generous catchment of spills and accidental boilovers. Trivets, burner assemblies, wok stand and pot rest are all removable for easy cleaning.

INSTALLATION

With only 30mm displacement into the benchtop, the cooktop allows for easy installation over oven, cupboards or drawers.

CANALI DESIGN

This cooktop fits within a large and comprehensive range of Smeg appliances with complementing aesthetics.

WARRANTY

Two years parts and labour.
