

KPFA9**

90CM PORTOFINO WALLMOUNT RANGEHOOD

MADE IN ITALY
Since 1948

Dimensions 896mmW x 495mmD x 1227mmH

Installation Wallmount

Motor 275W

Max Airflow 781m³/hr (IEC 61591)

Noise rating 48–72 dBA (IEC 60704-3)

Illumination 2 x 2W LED

Speeds 4

Supplied Accessories 3 x stainless steel grease filters

Optional Accessories Charcoal filter part #FLT6

Ducting Options Duct to atmosphere / recirculate
— 150mm diameter ducting required

Power 220–240V, 50Hz
10A (3-pin plug)

Warranty Five years parts and labour

Colours Available

White

Sunshine Yellow

Anthracite

Coral Red

Black

Olive Green

Burnt Orange

Stainless steel

POWERFUL AIR EXTRACTION

Smeg's rangehoods have been developed to optimise performance for all cooking styles and kitchen designs. We recommend using 150 mm duct pipe for peak performance. In installations where ducting to the outside is not possible, a recirculation kit is available as an optional extra.

LED LIGHTING

Two bright, long-lasting and energy efficient LED lights clearly illuminate the cooktop below, providing maximum visibility in the kitchen no matter what type of cooking you are doing.

STAINLESS STEEL GREASE FILTERS

Smeg stainless steel honeycomb filters with stainless steel latch may be washed in the dishwasher for ultimate convenience. The 4 ply mesh effectively captures grease and grime whilst maintaining optimum airflow.

4 FAN SPEEDS

Engineered for premium performance, Smeg's Portofino rangehood features 3 speed settings along with an intensive function for maximum extraction, clearing the kitchen quickly of smoke and odours.

MATCHING PORTOFINO DESIGN

Taking their hues from the olive, terracotta, lemon and coral colours of the buildings lining the Portofino shore, the collection comes in eight beautiful colours including sunshine yellow, olive green, coral red and burnt orange. Each offers a fantastic way of introducing colour into the kitchen.
