

PX1 402AU

100CM LINEA GAS COOKTOP

MADE IN ITALY
Since 1948

CAST IRON TRIVETS

The solid cast-iron trivets cover the cooktop, creating a harmonious and ergonomic surface onto which pots can be placed and moved safely and securely. In addition to providing a highly professional look, these ensure excellent performance, which remains unaffected over time.

TRIPLE WOK BURNER

Located on the left, this large and versatile burner suits woks, pots, saucepans and griddles. Whether it's used for easy stir-fry meals or controllable low simmers, it adds a whole new repertoire to your cooking.

FLAME FAILURE DEVICE

Safety fitted to all burners, the Flame Failure Device ensures that should a flame be extinguished accidentally, the gas supply to the specific burner is stopped. The burner can only then be reignited by following normal ignition procedure.

ELECTRONIC IGNITION

Comfortably reignite the flame with automatic electronic ignition technology. Simply turn the dial during the ignition process for precise control of heat distribution that is both safe and convenient.

Dimensions	1000mmW x 395mmD x 58mmH (height excludes knobs and trivets)
Finish	Stainless Steel
Capacity	4 Burner Left (wok) 14.6 mj/hr Centre Left 4.7 mj/hr Centre Right 6.1 mj/hr Right: 10.8 mj/hr
